PUBLIC CHARITIES AND CORRECTION,  
For the Year 1862.**

OFFICE OF THE COMMISSIONERS OF PUBLIC CHARITIES  
AND CORRECTION, No. 1 Bond-st., N.Y., March 1, 1863.

To the Legislature of the State of New York, and the Board  
of Supervisors of the County of New York.

The Commissioners of Public Charities and Correction have the honor to present to the Hon. the Legislature of the State of New York, and the Hon. the Board of Supervisors of the County of New York, the following

REPORT

of their proceedings, and of the condition of the Department of Public Charities and Correction, with all the annual reports and documents for the year 1862, in conformity with section 109 of the law passed April 17, 1859, chapter 210.

The history of the year just past, connected with the institutions and duties of this Department, is one of more than ordinary interest. No previous two years have been so remarkable for the important considerations for the welfare and conduct of every department of it, that is embraced, in that space of past history. Fully appreciating the obligations which our office has assumed, and to our official course, and with a full sense of responsibility, we have endeavored to do our duty, in accordance with the principles and arguments advanced by philanthropists throughout the State and neighboring States, for the amelioration of the condition of the Insane.

Friend and subscriber absent in this as well as other institutions under our charge, and have been a sorrowful fact.

It is a source of alarm to us, that a number of cases of unusual and sudden death have occurred among the inmates of almshouses, and that we have been compelled to make arrangements to remove them to other institutions.

We have been compelled to make the removal of all,

and to make every effort to secure the removal of all,

and to make every effort to secure the removal of all,

and to make every effort to secure the removal of all,
